

◆ Concerning E-mail Notices of Papers Newly Published in ISIJ International

A new service has begun by which e-mail notices will be sent to you from the Iron and Steel Institute of Japan (ISIJ) “Steel Science Portal” website whenever new scientific papers are published on the electronic journal of our international journal “ISIJ International.” If you wish to receive these notices of new papers, please put a check in the box below.

Also, to send the e-mail mentioned above, please approve your “Steel Science Portal” account registration using the information of this international conference (Your e-mail address, name, organization, country) and agree simultaneously to the Terms of Service and Data Use Policy.

***Please read the policies attached to this file.**

If you wish to receive the new publication notices and agree to account registration and the Terms of Service and Data Use Policy, please proceed your registration for conference and check “Concerning E-mail Notices of Papers Newly Published in ISIJ International” in the registration form.
